

ANNOUNCING 2020 “SAFEST SPACES” FOR POLITICAL FREE SPEECH

FOR IMMEDIATE RELEASE

New York, NY, August 10, 2020

- Are politics and the media driving you up a wall?
- Politicians not paying attention to the important issues?
- Are you angry that your tax dollars support non-responsive politicians?
- Are you “mad as hell” and just can’t take it anymore?

Where can you vent pent-up frustrations, short of opening a window and shouting into the sky? Certainly not on social media without incurring the wrath of Khan and the stinging insults of the internet bullies. But now, Jim Rowbotham and Larry O’Neill, co-founders of [Insultor LLC](#), offer two dynamic internet alternatives: 1) [insultaconservative.com](#), and 2) [insultaliberal.com](#).

Many citizens feel that their right of free speech allows them to candidly, humorously comment about politicians, yet they hold back in fear of being attacked by online bullies. Insultor LLC provides a safe haven through two branded websites where members are free to open their browser windows and shout.

- no recurring subscription lock-in
- no personal information collected, shared or sold
